

Why Rent Trade Show Flooring?

Rent twice or buy once.

Our floor pays for itself in less than two shows.

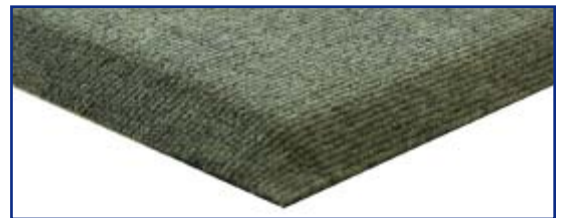

Interlocking Anti-fatigue Flooring

- Premium, industrial grade, stain-resistant carpet with ½ inch thick, closed-cell foam padding.
- Firm, flexible foot and leg support minimizes fatigue from walking and standing allowing you to stay energized.
- Gives a more professional appearance to any booth.
- Interlocking floor tiles come in four coordinating colors: Silver, Blue, Red and Black.
- 10' x 10' floor can easily be installed in under 10 minutes.
- Tear down and repack in even less time.
- Lightweight design allows you to comfortably hand carry to your booth. Boxed weight is approximately 30 lbs.
- Vacuum cleaner friendly.

Exclusive beveled edge and corner tiles provide attractive transition from aisle to booth and help prevent tripping.

Standard package includes:

2' x 2' center tiles and 2' x 2' border tiles with beveled edges in a sturdy, lightweight, custom carrying case.

Shippable by UPS and FedEx.

Available Options:

- Contrasting border colors.
- Combine any four colors to create a custom floor.
- 1' x 1' tiles.

Interlocking Trade Show Flooring

Why rent twice when you can buy once?

10' x 10' floor easily installs in under 10 minutes!

Tear down and repack in even less time!

Not recommended for outdoor installation. As with any flooring product, exact shade matching cannot be guaranteed because of differences between dye lots and/or fading due to the exposure to ultraviolet (UV) light, visible light and solar energy (heat).
